Dear President Falconer,

I enclose a duplicate of a letter recommending the appointment of Professor Swedelius and Mr. Cacciapuoti. Provision has been made in the budget for 1918-1919 for their salaries.

I take this opportunity to thank you most cordially for granting us a bonus. Such consideration for our needs is very encouraging, and we are deeply grateful to you and the Board of Governors.

Yours truly

Dear President Falconer,

At the suggestion of Mr. Buchner, I beg to report as follows on the arrangements made by our department for teaching Spanish to returned men: Miss Marion Squair will have charge of the class until May, after that Prof. Shaw will teach one hour a week and I supply this. I need hardly add that we do not expect extra pay for this trifling service.

Yours truly
Milton A. Buchanan.

Dear Professor Hanahan:

Many thanks for your letter stating that Miss Segoin, Professor Shaw and yourself will undertake the teaching of Spanish to the Pathfinder men. I am sure that the University is under a debt of gratitude to you for undertaking to teach them without extra remuneration.

Yours sincerely,
